

CCSSA Egoli Branch Annual Report: August 2020 to July 2021

Activities

Unfortunately, due to the COVID-19 pandemic the two Johannesburg and the Nelspruit outreach in-person symposia was cancelled. However, we managed to have two successful virtual symposia that was attended by delegates from all over South Africa. The October 2020 symposium: The critical care landscape in the aftermath of COVID-19 was attended by 281 delegates. The May 2021 symposium: Critical illness and the path to recovery was attended by 364 delegates.
