Jacaranda branch Annual Report – 2021

Chairperson & The Executive Committee of CCSSA

2021 has again been a challenging year for us as a branch and the entire country. This led to difficulties in achieving our main objectives for the year.

Branch AGM

We have been unable to have our AGM – Due to COVID restrictions it has not been possible to have all/most of our members join in for a meeting. We are looking into means of a virtual AGM, though it comes with challenges as some of our members do not have access to online meetings. The current committee members remain in office for now until we have our AGM.

Chairperson's report & Treasurer's report:

These reports will follow in due course. No much activities achieved in the current year. The main change was a move from the previous ABSA bank account to the New Investec Bank Account as agreed for all branches.

Academic meetings

The planned academic meetings, e.g. 2021 refresher course planned for February 2021 could not go ahead as planned. This has been postponed to 2022.

Other education, training, and research matters.

An outreach planned to Vhenda district could not be possible due to the current restrictions. We hope to revive all our programs as soon as the situation allows.

Thank you

A handwritten signature in black ink, appearing to read 'Dr SF Zwane', with a long horizontal flourish extending to the right.

Dr SF Zwane
